

Take to the Solent and support cancer

Sail 4 Cancer is hugely grateful to be chosen as the official charity of the Manches Cup '09.

Set up in 2001, we offer a variety of sailing opportunities from day trips, weekend voyages and holidays, all with the intention of offering a reprieve from the relentlessness of cancer. Such opportunities give time for families to strengthen their relationships and create new positive memories, build confidence and provide new challenges.

In 2008, we offered nearly 800 respite days, giving over 250 people the break they really needed.

In 2009 we want to help even more...

"It's thanks to your charity and the wonderful work you do, that families such as mine are able to take a back step and remind themselves how wonderful life can be despite all the adversity.

So thank you so much.

It was a life changing experience."

Eileen

How you can support us...

This year, when booking your team place with Britannia Events, there is a recommended voluntary **donation of £150 per team.**

A contribution that really can go a long way.

Last year Manches Cup fantastically raised over £3,300 for Sail 4 Cancer.

To put this into more tangible terms, it's a sum that can take 23 people on a UK sailing trip or 3 families on a well-needed holiday, allowing them to swap hospital appointments for sailing lessons and treatment time for family time.

This year we would love to see *every* team supporting us. With entry donations alone, this means we could at least double the success of last year; allowing us to take more people out onto the water; people like Craig...

"To sum the holiday up in as few words as possible it was fun, relaxing, exciting, and beautiful and we met some great people. I really can't explain how much it has helped us out and given us a new positive attitude towards life. Thank you for all your hard work in helping families like ours in difficult situations."

We'll be there at the event to answer questions, tell you about where your donations are going and tempt you with some great raffle prizes! If you need any more information, help or support in your fundraising ventures in the meantime, don't hesitate to contact Rachel, Fundraising Manager on 0845 4081849 or rholmes@sail4cancer.org

Please help us take even more people out of their everyday battles and give them memories to treasure.

Thank you for your support from everyone at Sail 4 Cancer and special thanks to...

Sailing towards freedom from cancer...
